ABOUT PMMMNMTT AND MHRFDC

The Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching emphasizes the need to change the role and task of a teacher from mere disseminator of information and knowledge to the one who advances frontiers of existing knowledge by actively developing and creating new insights into diverse social and physical phenomena. Mahatma Hansraj Faculty Development Centre has been established under this scheme at Hansraj College with an objective to serve as one of the nodal points to conduct such programmes and workshops. These programmes provide opportunities to every academician/ teacher to upgrade their domain of knowledge, become aware about latest developments taking place in their subject and allied areas and acquire new skills in development of educational content and delivery. These programmes help in capacity building of teachers and promote institutional effectiveness in delivering and developing educational programmes and curricula. The focus of some of these Faculty Development Programmes is also to provide support for research work and promote research in emerging issues in different fields of knowledge.

ABOUT THE COLLEGE

Sri Aurobindo College (Evening) is a constituent college of University of Delhi started in 1984 with 100 students and 4 teachers with 2 courses namely B. Com & B.A.(Programme) . Today it has grown to 2000 plus students with 73 teachers with 7 courses consisting of 5 Honours courses. Sri Aurobindo is a great philosopher, spiritual leader, and educationist on whom college is named. The college functions as an inspirational centre of spiritual growth, where students and staff of the college get an opportunity to introspect and augment their understanding of self through the philosophies and teaching of Sri Aurobindo.

ABOUT THE FDP

The MOOC's E-Content Development & Research Methodology is indispensable in the field of higher Education especially for faculty of Commerce, Economics, Psychology and other social sciences. MOOC is now a critical component of all the branches of knowledge but it gets the lesser attention it deserves in disciplines across the education System.

The purpose of the FDP is to equip the scholars to create awareness about MOOC and development of E-content and its use in higher education with the skill of data gathering, information analysis's and presenting in the desired format. The aim of the FDP is to improve the research orientation of researchers and the faculty members in the discipline of commerce, economics and allied areas. This FDP designed to provide understanding of advanced statistical techniques as well as providing hands-on experience in analyzing SPSS, AMOS for statistical analysis.

PARTICIPANTS

- The FDP is open to Faculty members irrespective of nature of vacancy from any Indian university/college and registered PhD research scholars.
- Accommodation/TA shall be provided/reimbursed to outstation participants as per UGC norms.
