## ABOUT MHRFDC

Mahatma Hansraj Faculty Development Centre has been established under the aegis of Ministry of Human Resource Development, Government of India, under the scheme Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMMNMTT). As per the scheme of PMMMMNMTT, "faculty development programmes include four types of developments: personal (interpersonal skills, career development and life planning issues); instructional (course design and development, instructional technology); organizational (ways of support to faculty members so that they fulfil their multiple roles of teaching, research and service)". As a result of dynamic education environment, teachers in these times are expected to be more resourceful than they were earlier. The MHRFDC is an initiative by Government of India in this direction that aims towards the overall professional development of the teaching fraternity and enhancing the teaching environment with the requisite skills.
